

DARRAN

Bota.

Designed by **Keith Melbourne**

Bota is an ever-growing lounge collection that effortlessly adapts to spaces as a touchdown terminal, brief meeting area, personal focus nook and an overall hub of concourse with integrated power.

Viewed from above, the budding Circlet formation resembles a flower, inspiring the collection name.

Thin lines, stitched detailing and subtle curves create Bota's design aesthetic.

Bota Swivel with Chameleon Bookcase and Cell Occasional Table

Bota Modular Install at Flinders University

Bota Ottoman's Available in Three Different Sizes

Bota Booth

Bota Booth is a relaxed meeting hub of two facing lounge units surrounded by an acoustic cocoon. Integrated tables in veneer or laminate make Bota Booth an instant mini conference room accommodating four to six people. The interior and exterior back wall allows for a wall-mounted TV, marker or glassboard encouraging uninterrupted productivity and focus.

Bota grommet placement

Booth wall exterior

Booth wall interior

Bota booth grommet placement

Bota booth walls have an integrated wire management channel built into the frame. Grommets are available in black or white.

The channel runs through the center of the wall, allowing cables to enter and exit. Specify interior or exterior location.

Bota seating specification

Joints are securely fastened with mortise and tenon joinery as well as well as corner block construction to ensure long-term use.

Ability to incorporate variety of options

Tablet mounts and combination fabrics.

Complete domestic production

Complete domestic production from frame through upholstery, controlled by one manufacturing facility. Less stress / damage to chair parts normally caused by overseas transit, providing consistent, reliable quality standards as a quick response to shorter lead times.

Offered in Low or high back. Seats and back are webbed to enhance comfort, sustainability and endurance. Frame constructed CNC cut engineered wood to maximize the strength, precise measurements and overall longevity. Soy-based, high resilient polyurethane foam consisting of multiple densities in seat and backs, achieving maximum comfort and durability.

Optional tablet or rear tables offered in 1/2" compact laminate featuring a black core. Tablets are center mounted between 2 seats. Horizontal back frame provides easy ganging capabilities for expansion and flexibility in various settings.

Rear tables are at 28.5" high on low back units, and 35.5" high on high back units.

Side Screens and Back Privacy screens create private areas to focus or define a team.

Privacy Screens are available in 10.5", 17.5" & 24.75"

The Bota Roof allows for sound to be absorbed creating a focus nook.

Available in a single or double seat module.

Specify power

Node features 1 power & 1 USB duplex, ideal for charging tablets and other USB-friendly electronics. Node is UL approved.

Specify location, see page 64 for additional details.
