### Features

- Carts with a variety of coordinating accessories: shelves, writeboards, TV/media mounting surfaces, storage hooks, power units, folding laptop shelves and privacy panels
- All carts have four locking casters
- 100% Made in Canada
- Each writeboard panel: Front side is a dry erase writable surface. Back side is Designer White laminate (only included in specified models). Edge color is Designer White

MODELS: SCCR####

- Coat rack cart includes side rails and a horizontal top rail for clothing hangers

MODEL: SCCS1848

- Shelf cart includes 4 fixed shelves and a horizontal top rail

MODELS: SCCMEP####, SCCMNE####

- Media carts include a vertical laminate TV board, small cutouts to pass through wires, and side rails
- The back panel of the media cart is a removable writeboard, allowing access for wire management. The writeboard is 65 in (1651 mm) tall
- 'EP' models include a two AC outlet power unit concealed in the TV board. 'NE' models do not come with the concealed power unit, but it can be retrofitted on site

MODELS: SCCSW18##, SCCDW18##

- Single sided and double sided writeboard carts include one or two fixed writeboard panels, respectively
- Large writeboards on these carts are each 66.5 in (1689 mm) tall

MODELS: SCCCW18##

- Combo writeboard carts include two lower shelves, one fixed writeboard and side rails
- Combo cart writeboard is 50 in (1270 mm) tall

SCCMNE1848

SCCRW1860

## Features (continued)

MODELS: SCCRW18##, SCCEW18##

- Removable writeboard carts include two fixed shelves and side rails
- Each cart can hold up to five removable writeboards at a time; one on the top shelf and four on the bottom shelf
- Each removable writeboard includes four metal cover caps on front side (can be specified to match cart frame finish) and four Black plastic brackets on the back side. The plastic brackets prevent contact between stored writeboards, and allow the writeboards to be hung on wall rails (sold separately)
- 'RW' cart models include five removable writeboards. Additional writeboards can be ordered separately for empty 'EW' cart models

MODELS: SCHC2233, SCHC2239

- Hospitality carts include three fixed shelves. Each shelf is 22 in (559 mm) by 33 or 39 in (838 or 991 mm), depending on the model
- Hospitality carts have push handles at both ends

## Cart Options

- All shelves are available in any standard low pressure laminate finish
- Frame is available in ten painted finishes
- Casters are available in Black or Grey finish

## Accessory Options

- PET felt privacy panels snap onto vertical cart rails. Felt panels can be set at variable heights; one pair of snap on brackets will rest at the height of a cart shelf. The cover cap finish should be specified to match the metal finish of the cart. Width of cart must be specified at time of order
- Concealed power unit can be added to media carts only (models without concealed power: SCCMNE####)
- Media trays are compatible with media carts only. Media trays are mounted on the front (laminated) side of the TV board. Can be specified in any standard painted metal finish, and any standard color of PET felt for a felt insert. Media trays provide a location for a wire catch, wireless receiver and optional power unit in any of the following configurations:
  - No power unit
  - C - 2 AC outlets, 1 USB-A 1.5A charge port, 1 USB-A 2.4A quick charge port
  - D - 1 AC outlet, 1 USB-A 1.5A charge port, 1 USB-A 2.4A quick charge port, 1 60W USB-C charge port
  - E - 3 AC outlets

## Accessory Options (continued)

- Accessory cups are compatible with any cart side rail or top rail. They are approximately 3.5 in (89 mm) deep; suitable for holding dry erase markers, erasers or other small objects
- Hooks are compatible with any cart side rail or top rail. Black finish only. They have a weight capacity of 10 lbs. each
- Additional removable writeboards are available. Please specify the cover cap color and width of cart
- Wall rails are available for hanging removable writeboards on existing walls. Only one rail required for holding writeboards. Available in widths of 36-96 in (914-2438 mm)
- Laptop shelves are compatible with any cart side rail. Shelf can be stored in a vertical position when not in use. Metal bracket color can be specified to match cart finish. Shelf is available in standard thermally fused laminate finishes. The metal brackets include plastic bumpers to prevent damage to painted metal finishes

## Construction

- Painted aluminum frame
- All shelves are 1.0625 in (27 mm) thick thermally fused laminate with 0.12 in (3 mm) thick PVC edge banding
- Fully enclosed 45 lbs. particleboard core
- Shelves include a raised metal edge. Finish color matches frame finish
- Four lockable casters are included on all carts. Diameter: 3 in (76 mm). Grey or Black finish

## Warranty

Limited lifetime warranty.

## Environmental

View [Environmental Data Sheets](#) online.

## Awards/Certifications

- Meets or exceeds all applicable BIFMA standards for safety and durability
- Manufactured in ISO 9001 and 14001 certified facilities
