

# TechWorks

Fueling Growth with Innovation and Adaptability

SAFCO®

# Shaping The Future Of Innovation

Achieving growth in an ever-changing world can only come from embracing innovation. Partnering with leading organizations across industries and disciplines, we help them approach ideas in new ways with furniture that adapts to the speed of change and withstands the rigors of continuous exploration. Our highly durable and modular TechWorks system, combined with our robust custom capabilities and design services, ensure the optimal solution for connecting people with the art of discovery.

## Smart And Hardworking

From startups seeking expansion to corporate giants looking to innovate, TechWorks creates layouts where teams can easily come together to share resources, space, and ideas. Designed to perform like no other, stack-on storage can be added to height-adjustable surfaces to seamlessly drive efficiency, well-being, and workflow.

# Imagine What's Possible

Today's students require active, hands-on learning and creative approaches to knowledge and skill development. TechWorks supports educational institutions with durable, flexible, and mobile solutions for learning labs and makerspaces that empower students to design, experiment, and invent.

# Drive Efficiencies Forward

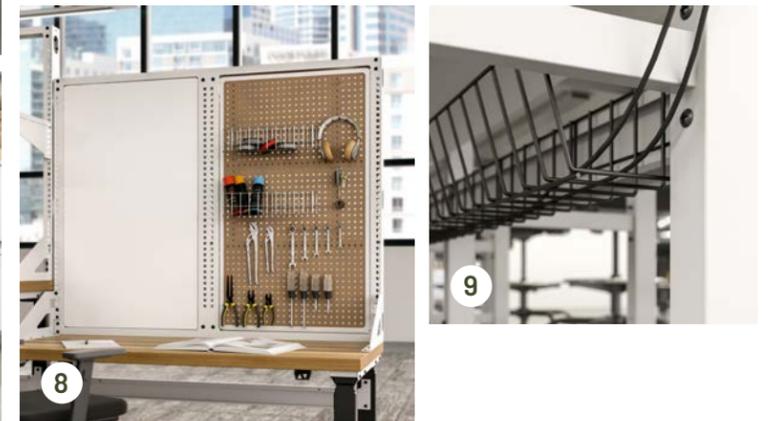

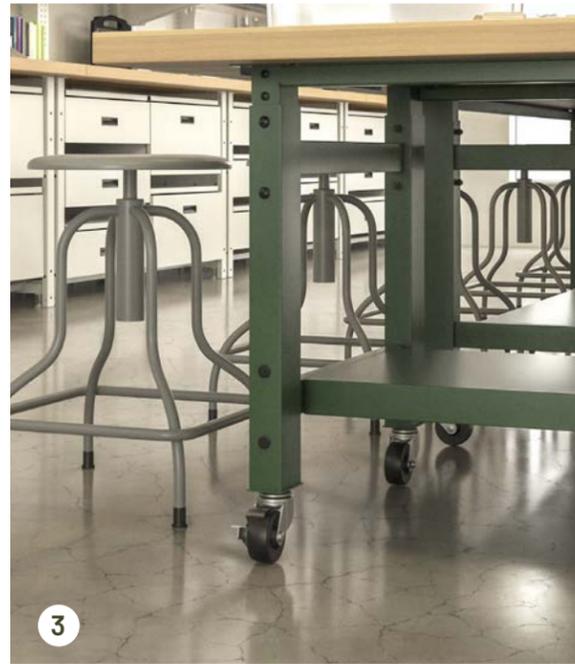

Healthcare and medical research facilities need to be adaptable to keep pace with new discoveries or changes in technology. When it comes to enhancing organizational efficiencies that help heal and save lives, TechWorks responds with lab, sterile station, and pharmacy solutions that improve workflow and access through highly-adjustable and modular components that are guaranteed to stand up to vigorous use and reconfiguration.

# Fast Track Results

Across every industry, design, tech, science, and engineering labs are challenged with advancing R&D to gain a competitive advantage. To facilitate this intensive work, TechWorks offers benching stations and accessories that maximize space, deliver exceptional strength, and provide unmatched load-bearing capabilities to support rigorous testing.

# Inspiring Details

**1. Shelves** Fixed or Tilt shelves are available in a variety of widths and depths and can be stacked where needed when used with Organizer Frames. Each shelf can support up to 200 pounds, while a corner shelf can support 250 pounds.

**2. Power** Above or below the worksurface power strips and service bars place power where it's needed. TechWorks also allows power to be dropped in from the ceiling and run through the top of the frame to ensure power is always accessible.

**3. Mobility** Heavy-duty casters let you easily reconfigure your space when you need to adapt on the fly.

**4. Lights** Integrated lighting options include height-adjustable, or fixed-height overhead LED lights, task lights, and under-cabinet lights.

**5. Worksurfaces** Options include HPL, Electro-Static Discharge and Butcher Block.

**6. Storage** Storage Centers offer components that can be adjusted in 1" increments, such as drawers, shelves, and cubbies. Pedestal storage is available as fixed, mobile, or surface-suspended.

**7. Bins** Lockable overhead storage bins are available in 24", 30" and 36" widths. Part Bin Panels, in 24", 30" and 36" widths, attach to Organizer Frames and accept other manufacturer add-on part bins.

**8. Smart Materials** Materials such as whiteboard and pegboard are paired with unique work tools, accessories and work surfaces to create an aesthetic that is efficient, versatile and multi-functional.

**9. Wire Management** Stay organized with Cable Channels and Baskets that provide horizontal or vertical wire management.

# Look No Further

Need something fast? We've got plenty of layouts to get you thinking. Want something specific? Ask us about our nonstandard configurations and customized accessories.

**Layout A** TechWorks Straight Bench with Straight Organizer Frame, Overhead Storage Bin, Fixed Cantilevered Straight Frame Shelf, Partial Straight Base Shelf, Peg Board, Parts Bin Strips, Keyboard Tray, Flat Panel Monitor Support Bracket & Fixed-Height Overhead Light.

**Layout B** TechWorks Corner Bench with Corner Organizer Frame, Fixed Cantilevered Corner Frame Shelf, Privacy Fabric Screen & 3 Whiteboards.

**Layout C** TechWorks L-Shaped Bench with L-Shaped Organizer Frame, Fixed Cantilevered Corner Frame Shelf, Partial Corner Base Shelf, Peg Board, Power Strip, 2 Privacy Fabric Screens & 2 Whiteboards.

**Layout D** 2 TechWorks Straight Benches with 2 Straight Organizer Frames, 4 Fixed Cantilevered Straight Frame Shelves & 2 Partial Straight Base Shelves.

**Layout E** TechWorks Electric Height-Adjustable Bench with Straight Organizer Frame, Tilted Cantilevered Straight Frame Shelf, Fixed Cantilevered Straight Frame Shelf, Power Strip & Flat Panel Monitor Support Bracket.

**Layout F** 2 TechWorks Straight Benches, 1 TechWorks Table with Peninsula Worksurface, 2 Straight Organizer Frames, 2 Overhead Storage Bins, 4 Fixed Cantilevered Straight Frame Shelves, Monitor Support Bracket, 2 Mobile Pedestals with Cushions & 2 Privacy Fabric Screens.

Birch Bark Silver Papler Bayberry

### Custom Finishes

Need a unique color or want to match your brand's colors perfectly? We offer custom paint options to give your TechWorks workstations the exact look you're envisioning.

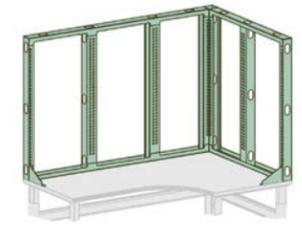

# TechWorks Components

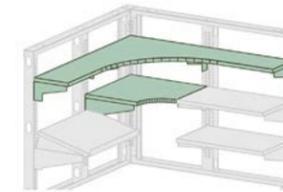

**TechWorks® Straight Organizer Frame**  
Matching bench size: 24", 30", 36", 48", 60", 72", 96"  
Available heights: 24", 36", 48"

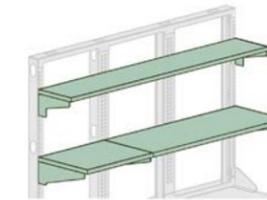

**TechWorks® Corner Organizer Frame**  
Matching bench size: 24", 30", 36", 48", 60"  
Available heights: 24", 36", 48"

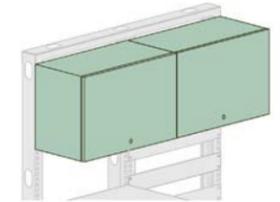

**TechWorks® L-Shaped Organizer Frame**  
Matching bench size: 72"W x 48"D  
Available heights: 24", 36", 48"

**TechWorks® Fixed Cantilevered Corner Frame Shelf**  
Available depths: 12", 18"  
Available widths: 24", 30", 36", 48", 60"

**TechWorks® Fixed Cantilevered Straight Frame Shelf**  
Available depths: 12", 18"  
Available widths: 24", 30", 36", 48", 60", 72"

**TechWorks® Overhead Storage Bin**  
Fixed dimensions: 12"D x 16"H  
Available widths: 24", 30", 36"

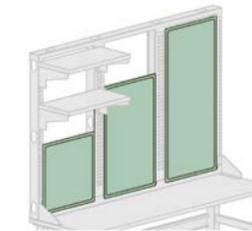

**TechWorks® Straight Bench**  
Available depths: 24", 30", 36"  
Available widths: 24", 30", 36", 48", 60", 72", 96"

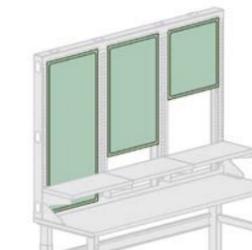

**TechWorks® Corner Bench**  
Available depths: 24", 30", 36"  
Available widths: 24", 30", 36", 48", 60"

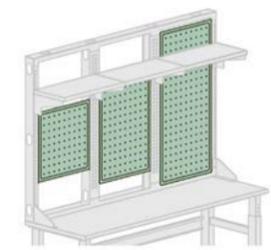

**TechWorks® L-Shaped Bench**  
Available depths: 24", 30", 36"  
Available in right or left handed

**TechWorks® Whiteboard**  
Straight application widths: 24", 30", 36"  
Corner application widths: 20", 26", 32"  
Available heights: 24", 36", 48"

**TechWorks® Privacy Fabric Screen**  
Straight application widths: 24", 30", 36"  
Corner application widths: 20", 26", 32"  
Available heights: 24", 36", 48"

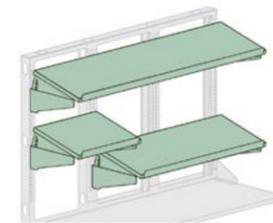

**TechWorks® Peg Board**  
Straight application widths: 24", 30", 36"  
Corner application widths: 20", 26", 32"  
Available heights: 24", 36", 48"  
*Also Available in Steel*

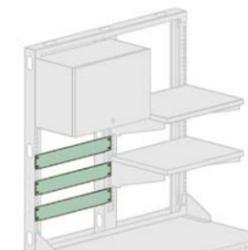

**TechWorks® Electric Height-Adjustable Bench**  
Available widths: 48", 60", 72"

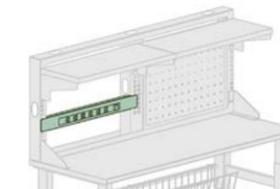

**TechWorks® Straight Table**  
Available depths: 30", 36"  
Available widths: 48", 60", 72"  
Available in rectangle or peninsula

**TechWorks® Tilted Cantilevered Straight Frame Shelf**  
Available depth: 18"  
Available widths: 24", 30", 36", 48", 60", 72"

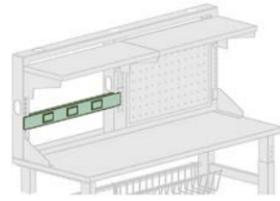

**TechWorks® Parts Bin Strips**  
Fixed dimensions: 3"H  
Available widths: 24", 30", 36"

**TechWorks® Dual Sided Power Strip**  
Available widths: 24", 30", 36"  
Available amps: 15amp, 20amp

**TechWorks® Power Strips**  
Available widths: 24", 48", 60", 72"

**TechWorks®** Telecom Channel  
Available widths: 24", 30", 36"

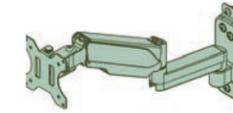

**TechWorks®** Straight Base Shelf  
Available in Partial Base Shelf- 12"D or  
Full Base Shelf-23"D  
Available widths: 24", 30", 36", 48", 60", 72", 96"

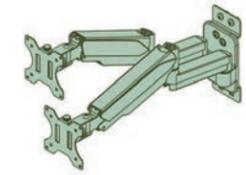

**TechWorks®** Corner Base Shelf  
Available in Partial Base Shelf- 12"D or  
Full Base Shelf-23"D  
Available widths: 24", 30", 36", 48", 60", 72"

**TechWorks®** Hanging Bars  
Available widths: 24", 30", 36", 48", 60", 72"

**TechWorks®** Single Screen Monitor Arm

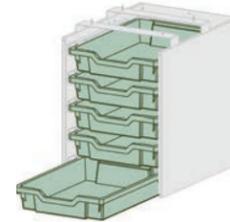

**TechWorks®** Dual Screen Monitor Arm

**TechWorks®** Telecom Plate Kits  
Available ports: USB, HDMI & RJ45

**TechWorks®** Under Work Surface Tote Holder

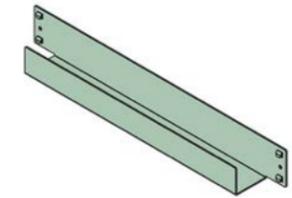

**TechWorks®** Tote & Rail Kits  
Available sizes: 3"H, 6"H, 9"H & 12"H

**TechWorks®** Casters

**TechWorks®** Vertical Cable Organizer  
Available heights: 24", 36", 48"

**TechWorks®** Cable Trough  
Available heights: 24", 30", 36"

**TechWorks®** Adjustable-Height Overhead Light  
Available widths: 36", 48", 60", 72"

**TechWorks®** Fixed-Height Overhead Light  
Available widths: 36", 48", 60", 72"

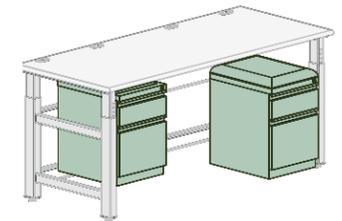

**TechWorks®** Advanced Task Light

**TechWorks®** Cable Basket

**TechWorks®** Utility Drawer

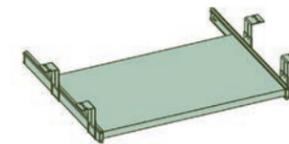

**TechWorks®** Pedestals  
Available in Fixed-Freestanding, Mobile-Freestanding and Suspended

# TechWorks Components

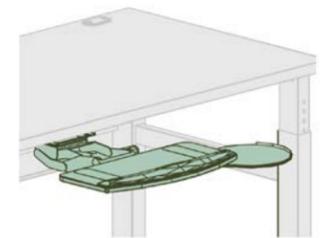

**TechWorks®** Basic Task Light

**TechWorks®** Pull Out Writing Shelf

**TechWorks®** Service Bar  
Available widths: 48", 60", 72"

**TechWorks®** Keyboard Tray
