

DARRAN®

2022 New Products

Meet Our New Products

We obsess over our product quality and design because we know you appreciate it. Here is an in-depth look into our new product launches: Central Park Refresh, Honey 90°, Gin, Palm, and Teak.

Central Park

DARRAN's largest offering and best-selling series, Central Park has expanded, offering new table and workwall desk options, slimline height adjustable runoff desks, wall panels with shelving and sleek hardware designs. New finishes and powdercoat options including Flat Cut Oak and Matte Gold continue to enable Central Park to traverse from modern to transitional design.

Gin

Designed by DARRAN
Design Team

Gin brings the best of the outdoors inside with this interior Adirondack chair. Created from white ash, the angular paddle arms and tapered frame redefine this iconic style for environments today.

Vertical Slat Back

Framed Back-No Slats

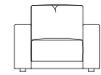

Palm Large Sofa, Lounge & Swivel Club Chair **DesignTex** Nook Stone

Palm

Designed by DARRAN
Design Team

Sink in and unwind in Palm Lounge seating. The oversized plush cushions allow you to melt in the seat for ultimate comfort encouraging relaxation and conversation.

Lounge

Settee, Loveseat, Sofa
77", 85" & 93"

Swivel Club
36"

Teak

Scrap teak wood, considered nature's castaway pieces, is rescued and is hand-assembled with stunning craftsmanship to create the Teak Table collection. The joinery of the rescued scrap creates a balanced texture, fitting for many design styles. The Teak Table collection is available in two coffee table sizes and one side table.

Coffee Table
39" & 47"

Side Table
14"
