

You only get one chance to make a first impression.

Overture reception desks strike the perfect balance between design and function, creating a memorable and welcoming introduction to your space. Available in a wide variety of finishes, materials, sizes and styles perfectly suited for every environment.

Create a unique introduction.

The clean lines and modern design of the Overture collection are offered in a wide range of finishes and configurations allowing you to customize the perfect introduction to your space.

Welcoming for everyone.

Overture's natural and inviting materials draw you in while finely crafted details take center stage. Offered in TFL and HPL, with mitered case construction for ultimate stability. Optional glass counter tops and ADA compliant selections create an equitable place for all.

Make a lasting impression.

Overture is designed to meet the needs of each space according to color, shape, and size. For more information, or to view the complete collection, visit us online or contact your DeskMakers representative.
